

Welcome...

Hudson's is a privately owned and operated restaurant & venue situated on the Vredenheim Wine Estate. We are open every day for breakfast, lunch and afternoon tea.

Hudson's was established in its current format by the Eason family in 2008, together with an excellent team of very loyal and hard-working staff.

It is our mission to provide stable jobs and training to international standards for local people while investing to develop an excellent business that offers you, our customer, great food and personal friendly service in this beautiful setting.

All of our meals are freshly prepared. On busy days, your order may take up to 45 minutes from the time it reaches the kitchen. Please be patient. We invite you to relax and enjoy the amazing scenery.

Unfortunately we can't arrange your order around your visit to the big cats park. Please plan accordingly and leave enough time.

Please note...

* A 10% service charge may be added to groups of 8 or more.
